Case File 1 — The Thing by the Mailbox

Can you use the witness's statement to help Link and Hud identify the creature terrorizing Meadowcreek?

1. Read every line of the witness statement.
2. Draw what they describe.
3. Tick off each line as you draw it.

THE STATEMENT

- ☐ It was about as tall as my mailbox.
- ☐ Covered in fur in a color I have never seen on an animal.
- ☐ Six legs. I counted twice.
- ☐ Two big eyes up front and a little one on top that blinked on its own.
- ☐ Ears like a bat's, and one of them was folded right over.
- ☐ A tail that curled up at the end, like a question mark.
- ☐ A mouth full of flat teeth. Like horse teeth.
- ☐ And it was carrying something. I could not tell you what.

P.I. FIELD SKETCH
