## Case File 2 — The Thing at the Window

Can you use the witness's statement to help Link and Hud identify the creature terrorizing Meadowcreek?

1. Read every line of the witness statement.
2. Draw what they describe.
3. Tick off each line as you draw it.

Mrs. Aldridge

### THE STATEMENT

- ☐ It stole the pie I had cooling on my windowsill.
- ☐ Its hands were as big as baking pans.
- ☐ It had three eyes in a row. All green.
- ☐ It didn't have fur but it did have whiskers. Long ones hanging from its chin.
- ☐ A flat snout with a wide nose.
- ☐ No teeth. Just a long tongue licking my favorite pie dish.
- ☐ Big floppy ears and a long hairless tail.
- ☐ And its mouth was stained purple. My poor pie!

### P.I. FIELD SKETCH

*Drawn from the statement of Mrs. Aldridge, who was at the kitchen sink when it came to the window where her pie was cooling.*
